

Indiana Manufactured Housing Association Recreation Vehicle Indiana Council, Inc.

IMHA-RVIC is pleased to announce we are again holding two days of educational sessions and plant tours at the 2026 MH FacTOURy Summit.

The event to be held August 18 and August 19 at the RV/MH Hall of Fame in Elkhart will feature **one full day of new home sales seminars (August 18) and one full day of factory tours (August 19) around Elkhart County and other MH plant locations.**

We will be offering exhibitor tables to those interested. You can participate with a display table for \$1,100.00.

- **Six-foot table-top display in seminar area on August 18**
- **Receive a list of seminar and tour registrants and participants**
- **Attendance at the morning refreshments on Seminar Day (2 people)**
- **Attendance at the luncheon on Seminar Day (2 people)**
- **Additional sponsorship opportunities: breaks/lunch**
- **Five networking opportunities to speak with attendees**

We are also pleased to announce that MH Village will be assisting with the promotion of this event. While we are concentrating on the Midwest, we have received inquiries from several other states. With the assistance of MH Village and its promotional outreach, we are hoping to increase attendance from last year and are looking for approximately 100 community owners/operators/retailers to attend this event.

August 18 will include educational seminars. Well-recognized leaders in their fields will present all seminars. The seminar day will include morning refreshments and a luncheon for attendees and participants. Attendees will also be able to take advantage of visiting the manufactured housing museum. The museum celebrates the history of our industry, showcases the homes of today and provides a window into futuristic manufactured and modular housing.

Seminar attendees will visit several MH factories in the area with an option of selecting which facilities they wish to tour.

Please use the attached form to indicate your interest in being an exhibitor.

We look forward to your participation and hope to see you in Elkhart, August 18-19, 2026.

Sincerely,

Ron Breymier
Executive Director, IMHA-RVIC
